

Hear Radio Sausalito on your Television!

***If you have basic Comcast, just select the SAP option on your TV or VCR while tuned to channel 26.

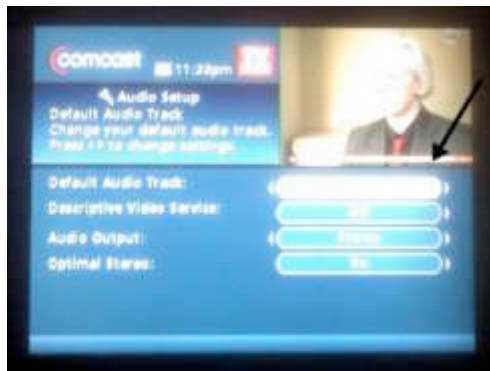

If you have Comcast Digital Cable, do the following five easy steps to enjoy Radio Sausalito:

- 1) Tune to Channel 26
- 2) Press *Menu* twice on the remote.

- 3) Arrow down to “*Setup*”. Press *OK*.

- 4) On the next menu, arrow down to “*Audio Setup*”. Press *OK*.

- 5) Change the “*Default Audio Track*” from English to Español (press the right arrow). You will now be listening to Radio Sausalito!

*If desired, when you finish listening to Radio Sausalito, switch back to the *English* audio track.

Note: the video on the TV will not change, though the audio you hear will be Radio Sausalito’s programming.
